and in most cases limiting the liability of carriers for death or personal injury and the loss or damage to baggage may apply.

Many carriers, however - including KLM - are applying the Montreal Convention that waives the Warsaw Convention's limits for death and bodily injury. Additional information in this regard may be obtained from the carrier.

Personal data:

Please note that the security laws of many countries (such as the US and Canada) require airlines to give security, customs and immigration authorities access to passenger data.

Should you be traveling to one of these countries, this means that your personal data and your travel arrangements may be disclosed to the relevant authorities in these countries.

Limits to KLM's liability (EC Regulation NO. 869/2002 Article 6.2):

1. There are no financial limits for death or bodily injury of a passenger and KLM may make an advance payment, in proportion to the suffered loss, in order to meet the immediate economic needs of the person entitled to claim compensation;

2. In case of destruction, loss of, damage to or delay in receiving baggage, KLM's liability is limited to 1,131 Special Drawing Rights

for proven damages. If the value of your baggage is greater than this limit, please be advised to declare a value for checked baggage in excess of the applicable liability limits at check-in or ensure that your baggage is fully insured prior to travel;

3. In case of damage occasioned by delay in the carriage by air KLM's liability is limited to 4,694 Special Drawing Rights

for proven losses and costs. If your journey also involves carriage by other airlines, you should contact them for information on their limits of liability.

### ESHG 2015 - Information on Abstract Acceptance - Poster Presentation

ESHG Conference

Para Yo

Gloria Queipo  
 Hospital General de Mexico Eduardo Liceaga-Facultad de Medicina UNAM  
 Genetica, Hospital General de Mexico  
 6726 Mexico City, Mexico

E-Mail: gqueipo99@yahoo.com

#### ESHG 2015 - INFORMATION ON ABSTRACT ACCEPTANCE - POSTER PRESENTATION

Dear colleague,

On behalf of the Scientific Programme Committee of the European Conference of Human Genetics 2015, June 6 - 9, 2015 in Glasgow, Scotland, UK we are pleased to inform you that the abstract entitled

*'Analyses of the molecular pathways involved in the sarcopenic process in functional and non-functional elderly population.'*  
 (Control No. 2015-A-859-ESHG)

has been accepted for Poster Presentation.

Please read the following important points carefully:

If you are not able to present your poster, you are requested to contact the organising office as soon as possible ([conference@eshg.org](mailto:conference@eshg.org)).

Authors who do not notify the organising office of their cancellation ahead of the meeting and fail to present their poster, will be banned from presenting an abstract at the next year's meeting (ESHG 2016 in Barcelona).

Therefore should you be unable to attend the meeting, please indicate whether

- one of the co-authors will present the paper (one person can only present one poster!)
- the poster will not be presented, but the abstract should remain in the electronic publication.
- the abstract should be removed from the abstract book (complete withdrawal)

Your help in saving costs substantially by avoiding empty poster boards is highly appreciated!

The [website](#) gives more details on your presentation format (menu item "Information - info for Presenters - Poster").

Please note that due to new EACCME regulations, authors are requested to disclose possible conflicts of interest on the poster.

#### Schedule for display, mounting and removal

- Posters will be on display from Saturday, June 6 (09:30 hrs) to Monday, June 8 (17:30 hrs).
- Poster mounting will be possible on: Saturday, June 6 from 09:30 hrs onwards
- Removal will be possible on: Monday, June 8 from 13:30 hrs - 17:30 hrs strict! Due to security reasons no access after this time can be granted!

Please note that posters not removed until then will be taken down by the staff of the conference centre and will not be stored or sent to the authors after the meeting.

All further details on your poster presentation (e.g. Poster board number, schedule for poster discussion) will follow by email in the second week of May 2015.

#### Poster Printing Service

The ESHG again offers a poster printing service for all poster authors managed by the company WEBGES. This service enables poster authors to upload & order their poster online prior to the conference and have it ready for pick-up onsite at the ESHG Conference in Glasgow. The poster printing service will be available from March 31 onwards - you will receive additional information until then via separate email.

Please remember that the deadline for reduced registration fee is March 31, 2015. We also advise you to book your hotel accommodation in Glasgow as soon as possible. Registration and hotel booking is possible on the website: [www.eshg.org/eshg2015](http://www.eshg.org/eshg2015).

We look forward to welcoming you in Glasgow in June!

With kind regards,  
yours sincerely,

Brunhilde Wirth  
Chair of the Scientific Programme Committee
